**Annual Report of**  
**HAYNES LIBRARY ASSOCIATION.**

---

Again we are called upon to make the report of this successful library association, together with the reports of the treasurer and librarian, each of which sets forth in detail all the business which has come before them.

The books have, in a general way, been well used and none lost, a fact we are proud of. In the thirteen years since this library was opened to the public no books have been lost and few injured more than the usual wear of books.

The services of Mrs. Bullock as librarian, have, as in past years, given satisfaction to both the trustees and the patrons of the library.

New catalogues have been printed at quite an expense and have been sold for the small sum of ten cents each which would not cover the expense of printing.

Some new books have been added both by purchase and presented by the state.

Respectfully submitted,

A. F. CHENEY, Secretary of Association.
